

# Maintenance Proposal For Accounting Figures - by OptimacoreTech

**Prepared by OptimacoreTech | Date: October 30, 2025**

To ensure continued performance, security, and SEO ranking, OptimacoreTech proposes an ongoing monthly maintenance plan for the Accounting Figures website. This plan keeps your site optimized, up-to-date, and running smoothly while you focus on your business.

## Monthly Maintenance Includes:

- 1- 24/7 uptime monitoring and performance tracking
- 2- Monthly SEO audits and keyword performance reports
- 3- Regular backups and security checks
- 4- Updating plugins, libraries, and core code (if applicable)
- 5- Minor text and content changes upon request
- 6 Speed optimization and broken link checks

## Pricing •

€20/month – Basic Plan (monitoring, updates, backups)

€50/month – Premium Plan (includes monthly SEO audits + content updates)

This plan ensures your digital presence remains strong and your website continues to perform at its best. For activation, please confirm your preferred plan via email at
